PURPOSE

The purpose of the Student Dress Code is to outline Kyneton High School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Kyneton High School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Kyneton High School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

SCOPE

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities.

UNIFORM AND APPEARANCE

The full list of Kyneton High School's compulsory school uniform items are available at Appendix A to this policy.

General appearance

While at school, travelling to or from school or participating in school activities, Kyneton High School students must comply with the following:

- Uniforms must be clean and in good repair
- Uniforms must be clearly marked with the owner's name
- Additional layers of clothing may be worn underneath the uniform for added warmth, provided these undergarments are completely hidden.

For further details see Appendix A.

Jewellery and cosmetics

Students are permitted to wear jewellery to school, however stud earrings and sleepers, and watches, are the only acceptable jewellery in practical settings, such as in the Technology workshops and Physical Education class. In these situations, teachers may instruct student to remove jewellery until the activity is over.

Hair and Sun safety

Shoulder length or longer hair is to be tied back during practical classes.

As we are a secondary school, we expect students to take responsibility for being sun smart by wearing a Kyneton High School hat during outdoor activities or staying in the shade. We encourage all students to wear sunscreen when outside, especially from mid-August to the end of April. Sunscreen is available in the First Aid Office.

Students are encouraged to wear sunglasses during outdoor activities. Sunglasses should be close-fitting, wrap-around that meet the Australian Standards 1067 and cover as much of the eye area as possible.

Hats and sunglasses are not to be worn inside.

IMPLEMENTATION

Kyneton High School will ensure that this Student Dress Code is communicated to all families and students through our website, Xuno and in the school Enrolment Packs. We will assist students who may be

experiencing difficulties complying with this policy where possible. Please see the 'Exemption' section of this policy.

Students wearing non-compliant uniform items may be asked to change into a compliant item of clothing provided by the school.

If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, the parent or guardian will be contacted firstly via Xuno. If non-compliance with the dress code becomes a continued occurrence, the Principal will be informed and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

Measures taken by Kyneton High School to address concerns about student non-compliance with the Student Dress Code will be addressed in accordance with our Student Wellbeing and Engagement Policy.

Exemptions to the Student Dress Code

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply in writing to the Principal for an exemption to aspect/s of this Student Dress Code, including shoe requirements, if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
